

## How to Apply

### Sign Up for TEDS Milwaukee as an Auditing Student

You've made the decision to sign up for a course through TEDS Milwaukee. Congratulations! You will soon have a chance to dig deeper into the Bible, theology, church history, and other important aspects of Christian life.

Unless you are seeking a more formal avenue to deepen your study (a [Master's](#) or [Certificate](#) through TEDS), you are most likely going to apply as an auditing student:

- You are considered an **Auditing Student** if you are looking to enroll in a course for **no credit** and pay a special (smaller) auditing fee.
- This is different than a **Visiting Student**. You are considered a visiting student if you wish to enroll in a small number of courses **for credit** while not pursuing a degree or certificate at Trinity.

Students choosing to audit are not responsible for exams or written assignments; however, audit students should come to each class having done the readings on the course syllabus so they can thoughtfully engage with their fellow, credit-seeking students during class.

If you would like to audit a course at the TEDS Milwaukee extension site, and you have taken a class with Trinity before, complete the [Extension Request for Registration form](#) (also located on the TEDS Milwaukee website). If you have never studied through Trinity before, you must fill out an application through the institution. This document will guide you step-by-step through the process to do so.

Once you have determined your status as a new Auditing Student, please follow the steps below to begin your enrollment through TEDS. If you have questions about your application, contact Terri Carlson, TEDS Milwaukee Site Coordinator, at 414-228-5220 or [teds@eastbrook.org](mailto:teds@eastbrook.org); or get in touch with the TEDS main campus at 800-345-8337 or [gradadmissions@tiu.edu](mailto:gradadmissions@tiu.edu).

The reason you need to create an account with Trinity in order to complete your application is so that the University is able to match your application to a record, and so that you can save your application and return to finish it later, if needed.

## STEP 6: Application Type

Once you have set a password and finished creating your account, you will be prompted to select which type of application you wish to submit. Because you are applying as an Auditing Student for TEDS, you want to select the “New Graduate Application” button on the right-hand side of your screen.

When you click that button, a confirmation message box will pop up on your screen. Click the “Create Application” button to proceed.

## STEP 7: Personal Background Information

Once you Create your New Graduate Application, you will come to a screen prompting you to fill out your personal information. Be sure to scroll all the way to the bottom of the screen in order to ensure you fill out all required fields. Once you have finished, click “Continue” at the bottom of the page.

A 'Logout' link is visible in the top right corner.

Please note: At the bottom of the “Personal Background” page, you will be prompted to enter your Social Security Number. As an institution of higher education, Trinity International University is required by federal law to comply with state and federal reporting requirements to ask for social security numbers in order to verify applicants’ identities. Receipt of applicants’ social security numbers is completely confidential.

The screenshot shows the 'Citizenship Information' section of the application form. It includes a dropdown menu for 'Primary Citizenship' (set to 'United States'), a text field for 'Social Security Number' with a note '(omit dashes)' and a link to 'Privacy Protection Policy', and a 'Race/Ethnicity' section. The 'Race/Ethnicity' section contains a 'Decline' checkbox, a question 'Are you Hispanic or Latino?' with 'Yes' and 'No' options, and a list of racial/ethnic groups with checkboxes: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific, and White. A 'Continue' button is located at the bottom of the form. A footer bar at the very bottom contains links for 'COVID-19 Info', 'Privacy Policy', 'Consumer Info - Title IV Disclosures', 'Employment', and 'Contact Us!'.

### STATEMENT OF FAITH AGREEMENT

Admissions to Trinity International University does not presuppose a student's adherence to the school's Statement of Faith. Nonetheless, Trinity is a confessional school, with a faculty committed to the historic creeds of the ancient church and to the major confessions of the Reformation period. Specifically, every regular faculty member signs the school's Statement of Faith and affirms his or her agreement with its articles.

*Trinity International University holds to the statement of faith of the Evangelical Free Church of America. The EFCA is an association of autonomous churches united around the following theological convictions:*

**God**

We believe in one God, Creator of all things, holy, infinitely perfect, and eternally existing in a loving unity of three equally divine Persons: the Father, the Son, and the Holy Spirit. Having limitless knowledge and sovereign power, God has graciously purposed from eternity to redeem a people for Himself and to make all things new for His own glory.

**The Bible**

We believe that God has spoken in the Scriptures, both Old and New Testaments, through the words of human authors. As the verbally inspired Word of God, the Bible is without error in the original writings, the complete revelation of His will for salvation, and the ultimate authority by which every realm of human knowledge and endeavor should be judged. Therefore, it is to be believed in all that it teaches, obeyed in all that it requires, and trusted in all that it promises.

**The Human Condition**

We believe that God created Adam and Eve in His image, but they sinned when tempted by Satan. In union with Adam, human beings are sinners by nature and by choice, alienated from God, and under His wrath. Only through God's saving work in Jesus Christ can we be rescued, reconciled and renewed.

**Jesus Christ**

We believe that Jesus Christ is God incarnate, fully God and fully man, one Person in two natures. Jesus—Israel's promised

Pilate, arose bodily from the dead, ascended into heaven and sits at the right hand of God the Father as our High Priest and Advocate.

**The Work of Christ**

We believe that Jesus Christ, as our representative and substitute, shed His blood on the cross as the perfect, all-sufficient sacrifice for our sins. His atoning death and victorious resurrection constitute the only ground for salvation.

**The Holy Spirit**

We believe that the Holy Spirit, in all that He does, glorifies the Lord Jesus Christ. He convicts the world of its guilt. He regenerates sinners, and in Him they are baptized into union with Christ and adopted as heirs in the family of God. He also indwells, illuminates, guides, equips and empowers believers for Christ-like living and service.

**The Church**

We believe that the true church comprises all who have been justified by God's grace through faith alone in Christ alone. They are united by the Holy Spirit in the body of Christ, of which He is the Head. The true church is manifest in local churches, whose membership should be composed only of believers. The Lord Jesus mandated two ordinances, baptism and the Lord's Supper, which visibly and tangibly express the gospel. Though they are not the means of salvation, when celebrated by the church in genuine faith, these ordinances confirm and nourish the believer.

**Christian Living**

We believe that God's justifying grace must not be separated from His sanctifying power and purpose. God commands us to love Him supremely and others sacrificially, and to live out our faith with care for one another, compassion toward the poor and justice for the oppressed. With God's Word, the Spirit's power, and fervent prayer in Christ's name, we are to combat the spiritual forces of evil. In obedience to Christ's commission, we are to make disciples among all people, always bearing witness to the gospel in word and deed.

**Christ's Return**

We believe in the personal, bodily and glorious return of our Lord Jesus Christ. The coming of Christ, at a time known only to God, demands constant expectancy and, as our blessed hope, motivates the believer to godly living, sacrificial service and energetic mission.

**Response and Eternal Destiny**

We believe that God commands everyone everywhere to believe the gospel by turning to Him in repentance and receiving the Lord Jesus Christ. We believe that God will raise the dead bodily and judge the world, assigning the unbeliever to condemnation and eternal conscious punishment and the believer to eternal blessedness and joy with the Lord in the new heaven and the new earth, to the praise of His glorious grace. Amen.

## STEP 10: Statement of Community Standards Agreement

Once you sign the Statement of Faith Agreement, you will come to a screen prompting you to read and electronically “sign” a Statement of Community Standards Agreement. This Statement outlines the expectations for conduct, behavior, and lifestyle, to which all Trinity International University students are expected to adhere during their time studying through Trinity.

### STATEMENT OF COMMUNITY STANDARDS AGREEMENT

#### Philosophy Statement

#### Why Standards of Conduct?

As a Christian community, Trinity has characteristics and structures which express its nature, enhance its purpose, and provide for the life and growth of its members. The distinctives of the Trinity community include commitment to the authority of the Word of God, the dignity of persons and the mutual support of fellow believers. These characteristics of community life are based upon:

1. Principles derived from Scripture
2. Insights discerned from various academic disciplines
3. Awareness of contemporary societal trends
4. Appreciation for the evangelical heritage of the divinity school and its constituency

Membership in the Trinity community offers unique privileges and implies unique responsibilities. These privileges include opportunities for academic, personal, and spiritual growth within a sound and balanced setting. These responsibilities involve both general patterns of community lifestyle and particular requirements regarding specific activities. The standards of the Divinity School and Graduate School are very demanding, beyond normal societal standards. In signing an application for admission, students assume the responsibility to maintain the Trinity Standards of Conduct as outlined below and others as announced. These standards, much like the training rules of an athletic team, allow students to affirm the authenticity of their commitment to the community, to learn to trust themselves and to let their word be trusted, that is, to grow in integrity by maintaining congruence between their life and these high standards.

#### What are the Patterns of a Christian Lifestyle?

Scripture sets the overall parameters for Christian community that include love, joy, peace, patience, kindness, generosity, faithfulness, tolerance, and self-control. In relationships with each other, community members are expected to practice compassion, to bear one another's burdens, to forgive one another, and to encourage one another. In relation to the material world, they are expected to exercise good stewardship and appropriate use of resources.

These expectations are in contrast to sins such as jealousy, gossip, conceit, greed, the sowing of discord, and the expressing of prejudice based on race, creed, ethnic origin, sex, and/or socio-economic status. All such sins are an affront to God and are destructive to the community.

#### Specific Requirements of Standards of Conduct

9. Scripture explicitly teaches respect for governmental authority. Students are therefore expected to uphold the laws of the local community, the state, and the nation except on those occasions where obedience to civil authority would require behavior directly in conflict with other Scriptural principles.
10. Sexual misconduct is prohibited and includes but is not limited to sexual activity outside of marriage, adultery, indecent exposure, voyeurism, or homosexual behaviors.
11. Destroying, defacing, or damaging of university property, owned or leased, and property belonging to students, faculty, staff, or guests of the university will not be tolerated, including but not limited to misusing computer equipment or programs, vending machines, or personal property.
12. Theft and possession of stolen property is prohibited. Any unauthorized taking or keeping of items of university property, items rented, leased, or placed on the campus, property leased by the university, items belonging to students, faculty, staff, or guests of the university, using another student's or employee's username and password, or possession of suspected stolen property is prohibited. Theft over \$250 in value and any involving credit cards are automatically reported to Bannockburn Police Department, while all others are reported at the request of the victim.
13. Deliberate refusal to comply with a clearly stated, reasonable directive issued by any school personnel, including faculty, RAs, Security staff, Creative personnel, acting in the performance of their duties, is prohibited. Disrespect by word or manner of conduct to any school employee or any officials at all school events is also prohibited.
14. Any of the following are considered disorderly conduct and are not acceptable: lewd, indecent, offensive, annoying, obscene, or inappropriate conduct or expression thereof on school-owned property or at school-sponsored events; the disruption of any student function or activity; conduct on or off campus that is in conflict with the welfare and integrity of the school and that identifies the student as an unfit associate for other students; any unauthorized demonstrations.
15. No form of hazing will be tolerated. Hazing is defined as the infliction of physical violence on any individual; any activities calculated to be embarrassing, harassing, or imposing physical, emotional, or mental strain on any individual; or any activity that would, in any way, jeopardize the physical, moral, or scholastic well-being of any individual. This also includes harassment by requiring unnecessary work and harassment through banter, ridicule, or criticism.
